

VOLUNTEER WITH US!

Our 6-step process for becoming a parent volunteer!

1

To ensure the safety of our performers and staff, all parents interested in volunteering backstage are required to undergo a background check conducted by the city.

3

Once on the portal, you will be prompted to fill out a form with your personal information. This information is used solely for background checks and is kept confidential.

4

You will be asked to provide your consent and authorization for the background check. Read through the terms carefully and confirm your agreement.

5

You will be notified of your background check results via email. Please note that this process may take some time, so we recommend applying well in advance of your desired volunteer date. Volunteer assignments will be assigned directly through Impulse Dance.

6

Rest assured that your personal information and background check results are handled with the utmost privacy and confidentiality.
